Dear Mr. Casey,

During the upcoming academic year, the Center for Law and National Security will sponsor jointly with the Student Legal Forum a "Law and National Security Speaker Series." With this series we hope to focus attention on several areas of critical importance: arms control, Central America, defense spending, and human rights. I am writing to invite you to join us as a speaker in this series.

The series is arranged around the schedules of the speaker's; I hope that you will find an evening free in your calendar during the next academic year to address the Charlottesville and University communities.

If you have any questions or wish to discuss this invitation, please feel free to contact me. I hope that we will have the honor of hosting you in Charlottesville as a participant on our "National Security Speakers Series."

With warm regards,

Director and Walter L.
Brown Professor of Law
